DOUBTS ABOUT MBBS ABROAD

Since last 50/60 years Indian students are pursuing Medical Studies Abroad in around 7 to 8 countries but many parents are still not sure about this taking MBBS admission abroad so what are the reasons behind it!!

MANY REASONS BEHIND THEIR WORRIES BUT FOREMOST

- With average score in NEET, can our students study abroad n pass FMGE/NEXT • Rules and Eligibility criteria are changes frequently by the National Medical Commission of India for MBBS Abroad, due to which many countries around the world, which are currently eligible according to NMC for pursuing MBBS, will not be eligible in the coming years.
- **POOR FMGE PASSING RATIO** : These 3 are most highlighted issues which we often see in news paper and on TV debates but there are many issues which you have heard only from students and their parents who are currently studying abroad.

MANY OTHER ISSUES ARE

- There are many abroad consultants but not directly authorized by the universities abroad. They are either agents or sub agents. And universities don't take responsibility for any information they provide to students and parents.
- That's why many Fraud Agents who misguide parents about actual expenses and challenges students need to face abroad
- There are even agents who charge fees in dollars and fees needs to be added to the agent's account and not directly to the university which is very risky.
- Agents misguide Parents about the education standards of abroad universities. For most of parents important criteria is budget and agent uses it that's why agent tells to select poor ranking colleges with poor infrastructure because of which students don't pass FMGE.
- Though small sub agents may be working with several universities but they are only responsible till the student gets admitted to the university.
- Students feel helpless if they face any financial, health or accommodation related issue while they are studying abroad.
- Students fall into bad company since they feel independent while they are in a foreign country, as there is no one to look after them and there is no direct connection between the observer and Parents.
- After facing all these hardships student may get the degree from abroad but they are unable to qualify for the licensed exam to practice in India.
- From poor ranking cheap colleges after 3/4 trials students. may pass FMGE but salary they might get post MBBS is just 25 to 30 K only.

विदेश में MBBS के बारे में संदेह

- पिछले 50/60 वर्षों से भारतीय छात्र लगभग 7 से 8 देशों में विदेश में M.B.B.S की पढ़ाई कर रहे हैं, लेकिन माता-पिता अभी भी विदेश में एमबीबीएस प्रवेश लेने के बारे में निश्चित नहीं हैं इसके पीछे क्या कारण हैं।
- कई कारण लेकिन सबसे पहले और सबसे महत्वपूर्ण** • विदेशों में एमबीबीएस के लिए भारत के राष्ट्रीय चिकित्सा आयोग (NMC) द्वारा नियम और पात्रता मापदंड में बार-बार बदलाव किया जाता है, जिसके कारण दुनिया भर के कई देश, जो वर्तमान में एमबीबीएस करने के लिए एनएमसी के अनुसार पात्र हैं, आने वाले वर्षों में पात्र नहीं होंगे। खराब FMGE पासिंग रजिस्ट्रार
- ये 3 सबसे प्रमुख मुद्दे हैं जो हम अक्सर समाचार पत्र और टीवी बहस में देखते हैं लेकिन ऐसे कई मुद्दे हैं जो आपने केवल छात्रों और उनके माता-पिता से ही सुने हैं जो वर्तमान में विदेश में पढ़ रहे हैं।
 - और भी कई मुद्दे हैं** • विदेशों में कई एजेंट्स हैं लेकिन विदेशों के विश्वविद्यालयों के सीधे अधिकृत नहीं हैं। वे या तो एजेंट या सब एजेंट होते हैं। और विश्वविद्यालय इन एजेंट्स द्वारा छात्रों को प्रदान की जाने वाली जानकारी की जिम्मेदारी नहीं लेते हैं।
 - यही कारण है कि कई फ्रॉड एजेंट जो छात्रों को वास्तविक खर्च और चुनौतियों के बारे में माता-पिता को नहीं बताकर गुमराह करते हैं, उन्हें विदेश में मुसीबत का सामना करने की जरूरत पड़ती है।
 - ऐसे एजेंट भी हैं जो डॉलर में यूनिवर्सिटी फीस लेते हैं और यूनिवर्सिटी फीस को एजेंट के खाते में डिपोजिट की आवश्यकता होती है न कि सीधे विश्वविद्यालय में जो बहुत जोखिम भरा है।
 - एजेंट विदेशी विश्वविद्यालयों के एज्युकेशन स्टैंडर्ड के बारे में माता-पिता को गुमराह करते हैं। अधिकांश माता-पिता के लिए महत्वपूर्ण मापदंड बजट है और एजेंट इसका उपयोग करता है यही कारण है कि एजेंट खराब रैंकिंग वाले कॉलेजों को खराब बुनियादी ढांचे के साथ चुनने के लिए कहता है जिसके कारण छात्र एफएमजी पास नहीं करते हैं।
 - हालांकि छोटे उप-एजेंट कई विश्वविद्यालयों के साथ काम कर रहे हैं, लेकिन वे केवल तब तक जिम्मेदार हैं जब तक कि छात्र विश्वविद्यालय में 'भर्ती' नहीं हो जाता।
 - छात्र विदेश में पढ़ाई के दौरान आर्थिक, स्वास्थ्य या हॉस्टल संबंधी किसी भी समस्या का सामना करने पर खुद को असहाय महसूस करते हैं।
 - छात्र बुरी संगत में पड़ जाते हैं क्योंकि वे विदेश में रहते हुए स्वतंत्र महसूस करते हैं, उनकी देखभाल करने वाला कोई नहीं होता है और लोकल गार्डियन और माता-पिता के बीच कोई सीधा संबंध नहीं होता है।
 - इन सभी कठिनाइयों का सामना करने के बाद छात्र विदेश से डिग्री प्राप्त कर सकते हैं लेकिन वे 'भारत में अभ्यास करने के लिए लाइसेंस प्राप्त परीक्षा के लिए असमर्थ' हैं।
 - खराब रैंकिंग वाले सस्ते कॉलेजों से 3/4 ट्रायल के बाद छात्र एफएमजी पास कर सकते हैं लेकिन एमबीबीएस के बाद उन्हें वेतन सिर्फ 25 से 30 हजार ही मिल सकता है।
